METALS**

PRODUCT RANGE

PIPE & TUBE

Cascadia Metals is proud to announce that we are now manufacturing our new line of products at our Tubular Division in Brandon, MB. We offer a range of metal products, including: coil and sheet metal, HSS tubing, merchant bar, rebar, expanded metal, wide flange beam, galvanized fence pipe, and UL/FM rated sprinkler pipe. We also carry a wide range of scheduled pipe products. Inquire with your Cascadia Metals sales representative for more information.
